

Graduate Sport Administration Admission Prerequisites

Applicants for the graduate program in sport administration should have:

- Minimum GPA of 3.0
- Minimum GRE scores above the 50th percentile on each part of the exam.

Prior to enrollment EXSS graduate students must have completed an undergraduate statistics or research and statistics design course (3 hour credit or greater) with a final course grade of B-minus or better.

The ideal sport administration candidate would have a foundation in exercise and sport science. This foundation can be demonstrated through coursework and through personal experiences in sport, volunteer experiences, internships and/or work experiences. Any of the following courses could be included in an appropriate academic foundation:

Sports Administration

- *Sport Administration/Management*
- *Sport History*
- *Sport Law*
- *Sport Marketing*
- *Sport Psychology*
- *Sport Sociology*
- *Facility Management*
- *Coaching/Officiating*

Business

- *Business Administration*
- *Finance*
- *Leadership*
- *Marketing*
- *Strategic planning*

Communication

- *Interpersonal Communication*
- *Group Dynamics*
- *Public Speaking*
- *Organizational Communication*
- *Organizational Culture/Theory*
