

****Important EXSS Curriculum Note****

Effective February 7, 2024, the Department of Exercise and Sport Science has paused enrollment in the Coaching Education Minor and plans to teach out all students currently enrolled in the minor who would like to finish it during the Fall 2024 semester.

What does this mean if I AM currently enrolled/declared EXSS Coaching Education Minor?

If you are a current EXSS Coaching Education Minor you will need to take EXSS 205, 207, or both (if you need both) to complete the minor in the Fall 2024 semester. EXSS 288 and EXSS 265 will continue to be taught going forward as they are not exclusive to the EXSS Coaching Education Minor. See the link below to the Course Catalog description.

Fall Semester EXSS Minor Core Class Schedule

- EXSS 205: TR 9:30am-10:45am
- EXSS 207: MWF 11:15am-12:05pm

What does this mean if I am NOT a currently enrolled/declared EXSS Coaching Education Minor?

We are no longer accepting applications for the EXSS Coaching Education Minor. Therefore, you cannot add the minor at this time, and you cannot enroll in any of the Coaching Education Minor specific classes which require the minor to be declared for registration. These classes are EXSS 205, EXSS 206, and EXSS 207. These classes will NOT be taught after the Fall 2024 semester.

If you are no longer interested in the EXSS Coaching Education Minor or cannot complete the required core minor classes in Fall 2024, you can undeclare the minor and the classes already taken will count as EXSS elective credits. Classes that double counted toward your EXSS major track will still count toward that major if already completed.
